

**2019 Ridgeview Scholarship
application available Feb. 1;
application deadline is March 8**

Each year, Ridgeview offers \$2,000 scholarships to area college-bound high school seniors interested in pursuing a career in the health care field. Beginning in 2018, the Ridgeview Health Care Scholarship Program expanded to a system-wide approach that now supports all three of its hospitals: Ridgeview Medical Center (Waconia), Ridgeview Sibley Medical Center (Arlington) and Ridgeview Le Sueur Medical Center (Le Sueur). A scholarship is awarded to one student from each of the 19 area high schools in the Ridgeview service area. Additionally, there is one scholarship awarded to a nontraditional high school student, as well as a scholarship for a child of a Ridgeview employee. Applications will be available online Feb. 1.

To be eligible, students must submit their application components online by March 8.

Visit the Ridgeview Sibley Medical Center website (www.sibleymedical.org) for further details about the scholarship program and for a link to the online application.

For additional information, please contact Shannon Mattson at Ridgeview Foundation, 952-442-8061 or email shannon.mattson@ridgeviewmedical.org.
